

SIMPLY CONSERVE

LED NIGHT LIGHT

With its sleek, classic design that delivers serious savings, these LED night lights are engineered for maximum longevity with minimal energy usage. Each night light intelligently turns itself on and off, depending on the amount of light in the room—plug it in once, and your job is done. Because these night lights perfectly disperse light to illuminate your path, you and your family can avoid safety hazards after dusk.

FEATURES

- Lasts up to 100,000 hours (20 years on average)
- Casts a warm, gentle white light; 2700K
- Only uses 0.3 watts, saving electricity and money
- Shines brighter—but not too bright—compared to a standard night light; 1.5 lumens
- Includes a photocell sensor; turning on and off automatically
- Extends from outlet 7/8"
- Available in retail packaging, individually packaged or may be custom imprinted with your logo, message or program theme.
Note: Minimum quantity purchase of 250 applies for imprinted products.
